

## Quality Policy

At Securex Agencies Limited Our Quality Policy is to:

1. Continuously provide efficient and reliable quality products that satisfy the requirements of our customers.
2. Purchase quality products from reliable suppliers who are supportive to our goals.
3. Maintain a highly competent and motivated workforce who is customer focused.
4. Maintain a cordial relationship between departments that ensures internal effective communication and corporation in achieving optimum efficiency in all operations:

- Our policy is a mutually beneficial relationship with our customers, suppliers and staff and is the foundation of our business in "empowering success" and providing security solutions.

- Every employee including the top management at Securex Agencies Limited is committed to complying with the requirements and continually improving the effectiveness of the quality management system.

- Quality Objectives are established and reviewed by Top management as and when the need arises for continuing suitability.

- The Quality Policy is communicated throughout the Organization via training programs and schedules implemented. It is also displayed to create awareness on all floors in the offices, at Securex House.

- The Quality Policy of Securex shall be reviewed for continuing suitability whenever the need arises.
